Education

B.S. in School of Computing

KAIST
Mar. 2021 - Present

Research Interest

Computer Architecture

System for Machine Learning

Operating System

Technical Skills

Programming & Scripting Languages

C, C++, Python, Matlab, Scala, Verilog, C#, Rust

Tools & Libraries

Pytorch, OpenCV

Awards & Honors

Dean's List

KAIST, School of Freshman
Spring 2021

National Science & Technology Scholarship

Ministry of Science and ICT, Republic of Korea
Aug. 2021 - Present
